PAYMENT OF COACHING FEES

All coaching fees are paid termly by direct debit, at the beginning of the new term. If you wish to split your fees into two payments, please complete a form at reception or email Dave Cooke, details below.

You will receive an invoice and a renewal notice at the end of the each term for the following term. The invoice will state the date on which the first direct debit will be taken. If you join mid-course, you will only pay for the remainder of the term. The renewal notice gives details for the following term including term dates, the date on which the direct debit payment will be taken and the cost of the lessons.

Automatic Renewal

All courses will be renewed automatically unless we hear from you.

Second Lesson Discount

If you or your child would like to receive a second weekly lesson in the same or another racket sport (badminton, squash or tennis), we offer a 25% reduction for the second lesson.

CANCELLATION

We require four weeks' notice in writing or by email, to cancel your child's coaching place, including in the event of prolonged illness or injury. The date we receive written notification is the start of the four week notice period. The cost of any lessons paid for in advance after that four weeks period will be refunded.

The cost of any rained off lessons will be credited to you, or if you are leaving the programme, refunded. We ask those leaving the programme not to cancel their direct debit before any refunds due are received.

REFUNDS DUE TO BAD WEATHER

A full refund will be given for any lesson that cannot be coached due to bad weather. A decision will be taken 30 minutes before the lesson – please contact the Club by phone. If the decision has been taken to proceed with a lesson, it may still be cancelled if the weather deteriorates. If the lesson has continued for 15 minutes or more, no refund will be given.

Wet Weather Programme for Juniors

The Club operates a wet weather programme for children receiving tennis coaching outdoors on the tennis courts at The Parklangley Club, Old Dunstonians Sports Club, Wickham Park and Willett Recreation Ground.

Exceptional Circumstances

In exceptional conditions it may not be possible for those receiving coaching to access our coaching sites. A refund will only be given if this occurs for more than one week in each term.
