

JUNIOR TEAM PARTICIPATION POLICY

This Policy covers all participating sports at The Parklangley Club, namely Badminton, Squash and Tennis.

The Parklangley Club actively encourages our junior players to participate in team matches representing our Club.

The Parklangley Club offers opportunities for juniors to play competitively within their own age group, and with adult member Teams.

It is the responsibility of the juniors' parent/guardian to arrange transport to and from the venue of play, and to arrange adequate supervision for the duration of the match. This includes pre match warm up and practice, and post-match cool down and refreshments where appropriate.

It is strongly advised parents inform the inviting team captain in advance of any allergies particularly when travelling to an away match so these can be accommodated and considered when organising a post-match refreshment.

Emergency Contact Forms can be downloaded from this link:

<https://www.theparklangleyclub.co.uk/wp-content/uploads/2024/01/Consent-and-emergency-contact-form.docx>

Completed forms should be kept with the competing junior at all times in their kit bags.
